

Exeter Then & Now

Below are a series of images portraying how the city used to be. Locate the buildings and either take a photograph, create a drawing or just tell us what they look like now?

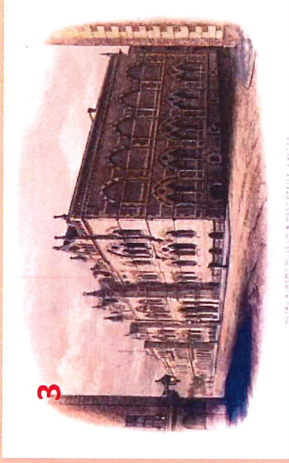

(A clue for each image has been provided)

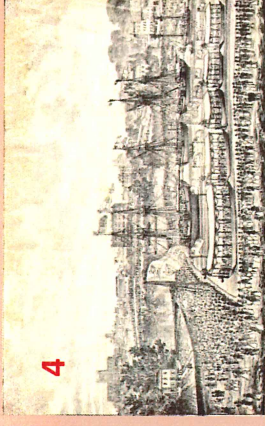

Act quickly for Pizza

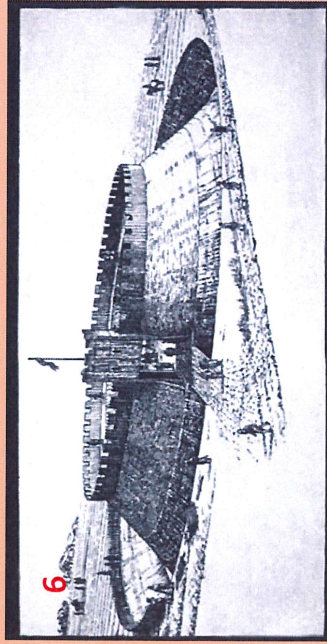

Used to neighbour a Catalanian city

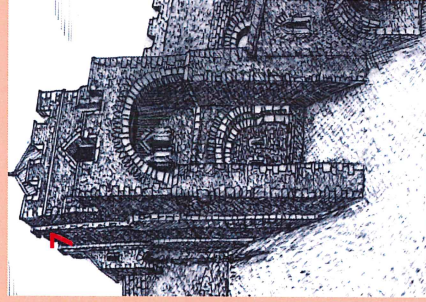

Gerald's Gaff

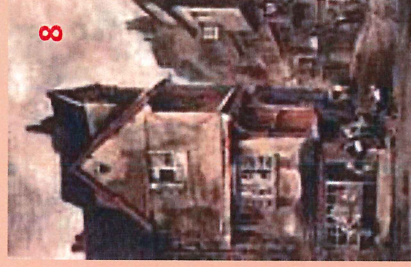

Next to an Italian Piazza

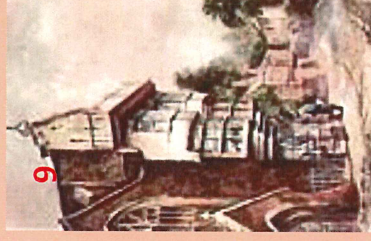

King Stephen's siege Castle, no Vikings here!

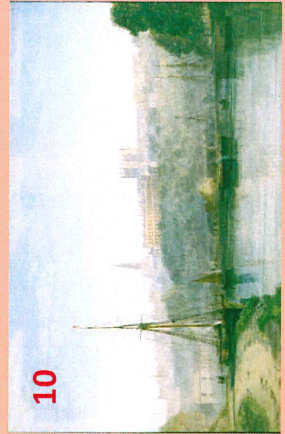

A fortified red hill

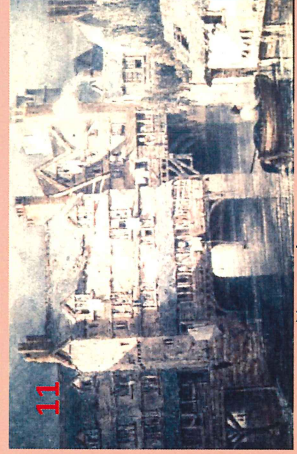

Had a moving experience

Coffee hadn't been discovered when this building was built

A safe Haven

X-crossing

The Woollen Engine Room
