

Visit Exeter Map 2020

Media Pack

We are replacing the traditional printed guide with a colourful fold-out visitor map, highlighting the best that Exeter has to offer during 2020, including top things to see and do throughout the seasons, food & drink and events.

New for 2020

We will also have guides available to pick up from Visit Exeter branded displays at Exeter and Bristol International Airports

Produced in full colour on good quality, uncoated FSC certified paper, the visitor map will be A2 in size, double-sided and folded to A5. It will also aim to attract new visitors to the city, with themed sections showcasing the wide range of things to see and do. The illustrated map will help visitors navigate the city and surrounds.

120,000 copies will be printed and distributed throughout the South-West including Devon, Cornwall, Somerset, Dorset, Bristol, Bath, Gloucester, Swindon, Wiltshire and Bournemouth.

Distribution points for 2020 include motorway services, railway stations, holiday parks, attractions, supermarkets outside of the local area, John Lewis, serviced apartments, and Airbnbs as part of our most extensive distribution campaign to date.

The guide will also feature as a digital guide on www.visitexeter.com
