Managed by Exeter City Council, Visit Exeter is the official organisation responsible for the promotion of Exeter as a visitor destination. Our aim is to increase visitor trips and spend in the city by positioning Exeter as a year-round sustainable destination for a day visit, city break, business trip, or group visit.

# VISIT EXETER

Visit Exeter has grown into a strong brand, recognised locally and nationally, reflecting the city's identity as a stylish destination strengthened by its heritage and its proximity to the coast and countryside.

By working closely with businesses in the city and VisitBritain, and locally in collaboration with the Local Visitor Economy Partnership (LVEP) and the Exeter BID, we aim to raise the profile of Exeter nationally and internationally, placing it firmly on the map as a leading cultural, sporting, foodie and activity destination.

Membership of Visit Exeter offers your business the opportunity to directly benefit from our regional, national, and international campaigns of advertising, press, and PR.

Join us today to reach more customers and be part of a global destination marketing campaign.
